Job Title: Software Developer

Company: Epic - Madison, WI

Position Description: Our small teams of software engineers participate in all aspects of the development process, from meeting customers to system design through quality assurance and delivery. Their goal is to create easy-to-use systems with optimal workflows that manage large amounts of data with sub-second response times and rock-solid stability. Our continued success in these areas is shown by Epic software systems' top-rated industry reviews. New functionality and systems are being developed daily that extend current capabilities and break new ground in the industry. Candidates should have a bachelor's degree or higher in Computer Science, Math, Electrical Engineering or Computer Engineering and a history of academic success demonstrated by a minimum 3.2 cumulative GPA. Relocation to Madison, Wisconsin is required and reimbursed. Visa sponsorship is available.

Deadline: 03/31/2009
